Scenario:
You are a Freshman that has just been accepted into the University of South Carolina! You heard of a helpful app called "Document Storage" from a friend, and have decided to download it (after purchasing it).

Task 1:
Link your Document Storage account to your University of South Carolina college account.

Task 2:
Upload your high school *official* transcript to your profile, and satisfy the "requirement" for admissions.

Task 3:
Schedule 3 events via the Calender feature in the app, and set reminders for the events.

Notes:
Changes to application…
    - TBA
Keep on application…
    - TBA

Tester 1: Terrant
Tester 2: Jaden
